Official Publication Date: 18/02/2016, Closing date: 04/04/2016

Cedefop's skills supply and demand forecasts are widely recognised and results feed into key EU policy and strategic documents. Since 2005, Cedefop has developed sound methodology producing reliable results for the whole EU. The main objective of this contract is to ensure the production of regular European skills supply and demand forecasts, consistent in scope and level of details with the previous releases.

This call has been published in the Supplement to the Official Journal of the European Union 2016/S 034-054302 of 18/02/16.

Deadline for submitting tenders: 04/04/2016 (17h00 for hand-delivered tenders).

Requests for additional information/clarification should be received by 24/03/2016.

The answers to such requests, if any, will be published under [this banner](#), therefore please visit [Cedefop's website frequently for updates](#).
