

Cedefop European database on apprenticeship schemes

06/2018  [European Skills Index](#), [European Skills Index](#), [People and Skills](#), [Matching Skills and Jobs](#), [Future Jobs](#), [Labour Market Context](#), [Guides & toolkits](#)

The selected schemes have a stable/valid legal basis and are system-level or mainstream. A scheme is understood as a set of rules and regulations about how this type of training should be designed, delivered, assessed, certified and governed.

The data are organised and easily accessible by country, by scheme and by several other indicators that allow for cross-country or cross-scheme navigation.

Cedefop's European database on apprenticeships schemes online consists of:

- [30 countries](#)
- [42 schemes](#)
- comparison tables, [by country](#) or [by scheme](#)
- [overview across countries using a map](#)

- [overview across countries using a map](#)
- [advanced search tool](#).

The current content of the tool is based on information collected in the first half of 2016, as part of Cedefop's study 'Apprenticeships: a cross-national overview' (forthcoming, 2018). The data will be regularly revised, updated and expanded.

Users can [provide feedback](#) on the content, which will be used to review, update and expand the database. Please, visit the feedback tab to provide your input!

Cedefop will revise and update the database content in 2018. For the future, we aim at setting up a network of experts who will maintain and update the database regularly.
