

ECVET magazine no 33 - December 2018

01/2019  [European Skills Index](#), [People and Skills](#), [EU](#), [Other resources](#)

In this edition you will find articles on:

- the European Vocational Skills Week 2018: addressing the future of VET (by Cedefop experts);
- the transnational ECVET Enterprise project;
- the use of ECVET in Czech Republic (mid-term evaluation);
- the ECVET Peer Learning Activity focusing on ECVET, NQFs and Upskilling Pathways (September 2018);
- the Austrian ECVET Experts Conference on Higher VET.

The ECvet Magazine is produced with support from the European Commission's DG for Employment, Social Affairs & Inclusion. The views expressed in it do not necessarily reflect the opinion of the European Commission, which cannot be held responsible for any use which may be made of this information.
