08/03/2019  European Skills Index, EU

## Did you know that every tenth woman in the EU is self-employed?

As women are gaining confidence, the number of self-employed women claiming their independence and daring to take on their own ventures rises. The countries with the highest rate of self-employed women are: Greece, with more than 1 in 5 women being self-employed; Italy, with more than 1 in 6 women and Poland with more than 1 in 8.
